

KEWEENAW COUNTY NOTICE

On July 3, 2024 (with acceptance by the Department of Environment, Great Lakes and Energy on August 1, 2024), the KEWEENAW COUNTY BOARD OF COMMISSIONERS filed a Notice of Intent to prepare its Materials Management Plan and has become the County Approval Agency as required by Part 115, Solid Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. Keweenaw County intends to develop a MULTICOUNTY plan with Baraga, Gogebic, Houghton, Iron, and Ontonagon counties.

Please note that all materials management planning committee meetings will be open to the public. Notices of these meetings will be displayed at: 5095 4th St, Eagle River, MI 49950. Notices will also be delivered to each village and township in the county.

Please direct questions to: Jerald Wuorenmaa, Executive Director, Western Upper Peninsula Planning and Development Region (the designated planning agency), at (906) 482-7205 x111 or jwuorenmaa@wuppdr.org
