Mel reported on certification meeting attended in Escanaba, and one he will attend in May to complete his certification (valid until 2017).

He got information on a pipe locator, and information will be sent soon. The estimated cost is \$3000, and Mel is recommending that we purchase one.

Jim suggested we ask about a payment program, or lease program. Sirtola plans to put the new pumps in on Monday, April 17th.

NEW BUSINESS – Jim has talked to Buzz Johnson about new siding or painting the township building. Buzz feels new siding is a necessity and suggested a prefinished siding, for a cost of about \$48,500. The quote will be kept on file.

Jim was contacted by Mike LaMotte and Mark Rei. A mistake was made on a land deed – lot 3 was written instead of lot 4. The county board will need to deal with it.

Street lights- Jim is suggesting that all the street lights be 9000 lumens which would save about \$60 per month. Jim will check into it further, so a decision can be made at the next meeting.

TREASURER'S REPORT – Shari has been working with Mary on the new billing system.

SUPERVISOR'S REPORT - Covered in the new business.

CLERK'S REPORT – Motion by Treganowan, seconded by Chase, to pay the bill from Siler for the work at the condo and bill the condo for half of it.

Motion by Long, seconded by Vivian, that the regular board meetings be held on the third Monday of each month, at 7 p.m. Motion passed unanimously.

Board notified of two Keweenaw County Historical Society requests to use the building.
